(Web Delivered Test | Pearson KT)
- Carefully read this instruction page delivered to you. You may ask someone for help if there are words or sentences that you don't understand.

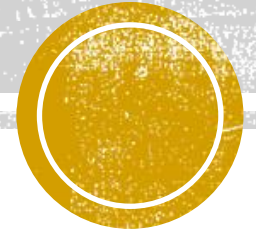

- Choose a quiet location with a Windows-based computer and headset with built-in microphone where you will not be interrupted during the test.
- Make sure your headset is plugged in correctly and is not muted.

# BEGINNING THE TEST

- To begin the test, enter your Test Identification Number where instructed on the screen and click the "Enter" button.
- A recorded examiner's voice will guide you through an audio volume check.

- For Versant speaking tests, you will also go through a microphone volume check.
- For Versant writing tests, you will not have a microphone volume check.
- For a test containing both speaking and writing sections, you will have a microphone volume check.
- Once the audio and/or microphone checks are complete, the test will begin.

- You cannot skip questions and then come back to them.
- If you exit the browser before you complete the test, the test cannot be graded. You cannot reuse the Test Identification Number.

# DURING THE TEST

**ANKARA BİLİM**  
ÜNİVERSİTESİ

Position the microphone close to your mouth. Do not touch the microphone while you are speaking.

Answer all questions smoothly and naturally in a clear, steady voice.

- If you don't know the proper way to respond to a test item, you can remain silent or say, "I don't know."
- Do not take notes or write on paper during the test.

- When you have completed the test, the system will prompt you to click the "Finish" button. Please be sure to click "Finish" or your scores will be delayed.
- If you wish, you may answer the optional questions at the end of the test. Your personal information will be kept anonymous.
